

## Product Data Sheet

# PETRON BLAZE RACING PREMIUM MULTIGRADE 10W-30

### DESCRIPTION

**PETRON BLAZE RACING PREMIUM MULTIGRADE 10W-30** with TS<sup>3</sup> is a high-quality, low-viscosity motor oil designed to meet the high performance requirements of most modern vehicles operating under severe driving conditions.

The unique additive technology called Thermal Stress Stabilizing System (TS<sup>3</sup>) keeps the oil stable even at extreme temperatures, providing ultimate protection from engine stress.

### PROPERTIES

- Excellent wear and corrosion protection for longer engine life
- Low viscosity that contributes to easier cold starting and reduced fuel consumption
- Superior oxidation control (ability of the oil to withstand heat and degradation) for longer oil drain interval
- Improved control of sludge and piston deposits to keep the engine clean

### GRADE

- SAE 10W-30

### TYPICAL CHARACTERISTICS

Specific Gravity at 15.6°C	0.8879
Flash Point, COC, °C	214
Color, ASTM	2.5
Kinematic Viscosity at 40°C, cSt	71.81
Kinematic Viscosity at 100°C, cSt	10.85
Viscosity Index	140.2
TBN, mg KOH/g	6.3

### APPLICATION

- Gasoline-powered vehicles, high-speed automotive engines.

### QUALITY LEVELS

- It has the performance profile of:
  - API SN/CF

### AVAILABLE PACKAGES
