

# PETROGREASE XX

## DESCRIPTION

**PETROGREASE XX** is a lime-based water-resistant grease for general automotive chassis lubrication.

## PROPERTIES

- Adheres tenaciously to the lubricated parts even during severe vibration or other rough services
- Does not strip or squeeze out when applied by pressure gun

## GRADE

- NLGI No. 2

## APPLICATIONS

- Automotive chassis
- Low-speed bearings in industrial machineries subjected to washing action of water
- Operating temperature up to 120°C

## TYPE

- Lime-based water-resistant lithium grease
- Enhanced with lime scent

## AVAILABLE PACKAGES
