Petron Rewards Loyal Customers Across Six Regions with Hypermarket Sweep

Gives Customers Exciting Grocery Shopping Experience

Kuala Lumpur – Petron Malaysia has successfully wrapped up another round of the Petron Hypermarket Sweep, delighting shoppers from six regions nationwide with exciting prizes, while also helping families meet their everyday needs.

A total of 160 winners were selected from all regions and announced on Petron's official website and social media platforms. Grand Prize and Second Prize winners received RM3,000 and RM2,000 worth of Lotus's Malaysia or CKS (only for Sabah) vouchers respectively, while consolation prize winners received a combination of RM300 worth of Petron Miles points and RM300 grocery vouchers (Lotus's/CKS).

"We are thrilled to reward our loyal customers through the Petron Hypermarket Sweep. This shows our gratitude for their continued support and highlights our commitment to making everyday purchases more rewarding and meaningful in line with our Pasti OK promise," said Wan Adibah Azian Mahmood, Petron Malaysia's Marketing Manager.

All registered PMiles members, aged 18 and above, gained automatic entry provided that they purchase a minimum of RM40 worth of petrol in a single receipt from September 9 to November 11, 2025.

The hypermarket sweeps took place in January, starting at Lotus's Peringgit, Melaka and concluding at CKS Menggatal, Sabah. Winners enjoyed a 3-4 minute hypermarket sweep with a maximum of four family members per team who raced against the clock to fill their carts with grocery items, making it an exciting experience for all the winners.

In Sabah, Petron extended support to recent flood victims by organizing a special hypermarket sweep at CKS Menggatal for 16 affected families from Kampung Rampaian Laut, Menggatal. Each family received RM500 worth of essential items. In addition, CKS Menggatal contributed RM100 hampers to each family, further easing the impact of the floods.

The campaign attracted more than one million qualified auto-entries nationwide, reflecting strong participation and enthusiasm from Petron customers across the country. The winners came from diverse backgrounds, including teachers, clerks, and factory workers. Many shared that the prizes helped offset household expenses while providing a fun family bonding experience ahead of Chinese New Year and the month of Ramadan.

Petron continues to engage and reward its customers through interactive and exciting campaigns, with even more initiatives to come as part of the PASTI OK campaign.
